Undergraduate Degree Application

This declaration should be returned to the University Registrar's Office by June 1 if you plan to receive the degree in December, or by September 15 if you plan to receive the degree in June.

To the Undergraduate Faculty:

I respectfully announce myself as a degree candidate on _June/2009___and have printed my *full* name
Month/Year

below as I wish it to appear on my diploma.

_____

Changes to this information cannot be accepted after February 1 without an additional charge.
Diplomas are generally issued in your full or legal name i.e. no nicknames or titles.

My choice of diploma material is (check only one):

☐ **Parchment (no charge)**
or
☐ **Sheepskin ($90 billed home)**

I am applying for the following degree(s) and will complete the following major(s) which I have already declared with the University Registrar.

Degree(s): _____ _____

Major(s): _____ _____ _____

You may change your degree, major and program declaration(s) fee-free up through January 15th of your senior year by completing a new Declaration of Major form. After January 15, you must petition the Faculty Executive Committee and pay a late fee to make such changes. At Commencement, you will line up, process, and sit with classmates for the degree represented by the first major listed on your major declaration form.

I understand that I must present at least 115 valid degree credits in order to graduate (142 to earn two degrees). In addition, I must satisfy the general education requirements, the requirements of each declared major, and any other requirements set by the faculty. (Certain combinations of electives and major requirements may require additional credits beyond the minimum.)
