I. Declaration of Majors and Programs. Complete this entire section and obtain approvals for all major(s) / program(s).

When changing your major or program declarations, the process of getting signatures for all majors and programs is, in part, a notification to the advisers and department and program heads of the multiple commitments you are making. Each declaration form completely replaces all earlier declarations; please obtain all required signatures each time you make a change.

What degree(s) do you hope to earn? BA BS (earning two degrees requires 27 additional credits)

How many majors do you have? _____ Declare them all, in order, in the spaces below.

(The department head may authorize using a different catalog by changing and initialing below.)
