

WASHINGTON AND LEE UNIVERSITY
PETITION FOR PASS / FAIL STATUS

(Return to the University Registrar's Office before the end of the drop/add period.)

Student Number _____ Printed Name _____

I plan to take _____
Department Catalog # Section # Course Title

on a pass/fail basis during the _____, 2 _____, term. I understand the faculty's policy governing this status.

After attaining sophomore standing, a student is permitted to take each term one *elective* course (not a course used for the major or to fulfill a general education requirement) in which the grade of Pass or Fail is given, to which no grade points are assigned. Only 18 credits of such work may be offered toward satisfying graduation requirements. A student receiving an F will receive no credit toward the degree, but the F will be used in computing the term and cumulative grade-point averages. No course may be repeated on a pass/fail basis, and a course for which the grade of P has been received may not be repeated. ***This decision is irrevocable after each term's drop/add period, unless an exception is granted by the Faculty Executive Committee and a fee is paid. Please note:*** Pass/fail approval does not automatically follow a change of section in the same course, even if it is to be with the same instructor, so a new pass/fail form must be submitted when a drop/add is submitted.
